6. IDENTIFYING CHARACTERISTICS

7. APPLICATION.

To the best of my knowledge, the horse named in this application has no Draught, Cob, Standardbred, Hanoverian, Cleveland Bay, Pinto, Paint, Albino type, cremello, Morgan, Warmblood, Trakehner, Pony, Roan or Grey background and is an approved type and conformation for an Appaloosa Breeding Programme. (For further information, refer to the ApHANZ Breed Handbook.) Cryptorchids and monorchids are ineligible to register as stallions. I understand that any horse photographed with artificial colouring will be rejected and the owner barred from ApHANZ Inc. Membership and the right to register horses will be suspended if an applicant falsifies a pedigree or commits wilful infraction of ApHANZ rules.
